## EXPERIENCE

### **Giant Food Stores, York PA — Cashier**

July 2021-August 2022

This was my first ever job, and it has taught me a lot about retail. I also stocked shelves a bit and helped bring in the shopping carts some days.

### **Gold Crust, Red Lion PA — Dishwasher**

August 2022-Now

I currently work here as a part time dishwasher, just something to do while I also focus on school.

## EDUCATION

### **Dallastown High School, Dallastown PA**

August 2019-Now

I am currently in highschool and will graduate in mid 2023.

## PROJECTS

### **Web Design — Small Websites**

I enjoy making small little website projects in my free time, especially games. I always try to further my knowledge in JavaScript and HTML.
